

## **FATHER PETER BOWES IS A TOP INTERNET GURU Co-Director of the Centers of Light recognized for Online Following**

Father Peter Bowes, has been acknowledged as a “Top Internet Guru” by the respected “What is Enlightenment?” Magazine. In the October-December, 2007 issue, the magazine reported in their research results that Father Peter is among the top 10 internet gurus, between Deepak Chopra and Eckhart Tolle. This is because he has developed a significant following for his numerous podcasts, blogs, youtube teachings and internet radio broadcasts. In fact, people from England are traveling to the States to experience Father Peter’s teaching in person, after finding and following him online. The word, “Guru” means spiritual teacher. In one of his youtube videos, Father Peter speaks about becoming a spiritual master, and about his guru – Jesus:

Father Peter Bowes is a Christian mystic, ordained priest, Master Teacher of Christian mysticism and the co-director of a mystical Christian Order and school that has spiritual centers called, *Centers of Light*, in 15 cities. He has authored 3 books and 10 albums of Christian music, and he is the Co-Director of a peace initiative called The Sophia Peace Center.

People who have experienced Father Peter’s fiery, entertaining and no-nonsense teaching style often report transformative experiences and life-altering connections to a higher power. *“I usually experience something greater than my mind could even conceive of. Now, I have more energy for my busy life.”*

For one who wants to know God, Father Peter should be experienced in person. Spiritual seekers who would like to have an in-person experience of teaching by a spiritual master are encouraged to attend one of Father Peter’s seminars or services and see what all the buzz is about. He travels weekly across the country giving seminars, services and concerts. Visit [www.CentersOfLight.org](http://www.CentersOfLight.org) and see whether Father Peter will soon be in your area by clicking on the nearest location.
